

**NEWMAN
PLUMBING INC.**

**The Water Meter Replacement
Contractor for the
Cheswick Borough
1-888-437-0078**

Date _____

Our service person was unable to gain access to the property for work that was previously scheduled for today to install necessary updated water meter equipment. Please call the above number and make arrangements for access as soon as possible.

Our service person previously left notice requesting that you call the above noted telephone number to arrange a schedule for the installation of necessary water meter devices. If arrangements are not made you risk the possibility of service termination.

We were working in your area today and attempted to contact you for access to the property to install necessary water meter equipment. Please call the number and make arrangement for access as soon as possible.

Repair of new meter.

**RE: Cheswick Borough
Subject: Water Meter Replacement**

We will be working in your service area ON THE WEEK OF _____
and will need access inside the property to install necessary updated water meter equipment.

**Please call our toll free number -1-888-437-0078 - MONDAY - FRIDAY
BETWEEN THE HOURS OF 7:30 A.M. - 3:30 P.M.
or email: newmanmeters@gmail.com
to schedule your appointment.**

Please respond within **three days** of this notice.

Please note - This is a mandatory replacement and if you fail to respond the Cheswick Borough may proceed with water termination.

Thank you for your attention in this matter. Mike Newman, Newman Plumbing, Inc.
